

If you **cant come** to our Experience Centre.

We **will bring** the Experience Centre to you!

Anutone has developed a **Mobile Experience Centre (MEC)** that can be installed at major project sites prior to order finalisation. The first in the series is AnutoneSuite for Offices and has already been deployed for a corporate major at Navi Mumbai.

This helps the project ecosystem - architect, consultant, project manager, contractor, client, end-user - to get a first-hand look and feel of office ceiling solutions from Anutone. A stunning array for 4 to 8 mock-ups with different surface finishes, tile dimensions, edge profiles, suspension systems and perimeter solutions is deployed.

This service is currently available for Greater Mumbai, Delhi NCR, Chennai and Bengaluru (conditions apply). More details of AnutoneSuite MEC at [www.anutone.com/mec.htm](http://www.anutone.com/mec.htm)
