

Serge Hook-on

for corridors

Serge Hook-on is a plain and microperforated metal plank in long-span lengths to fit corridor widths. It is installed on Skelet Z suspension system. The microperforated can be as small as 1mm diameter for an almost invisible look.

Serge Hook-on is easy to hinge swing-down for servicing the utilities in the plenum without damaging the plank. It can be supplied in trapezoidal shape for curved plan ceilings.

Serge Hook-on belongs to Anutone's family of metal-based ceiling solutions and is in association with Aspen of Turkey.
