# Subtex Painted

## for special spaces like CEO's cabin

Subtex Painted is a lightweight, smooth-textured ceiling tile with a steppe edge. It is installed on Skelet U15 suspension system in colours that blend.

Subtex has high light reflectance and sound absorption plus its compatibility with Skelet Infinity and Screenline range ensures ceiling islands to suit boardroom modules that make dramatic statements to interiors.

Subtex belongs to Anutone's family of texture-based ceiling solutions.
