Whiteline

for meeting rooms

Whiteline is a lightweight, ultra-white ceiling tile with a square edge. It is installed on Skelet U15 suspension system. The tile is fibre-free and hence can be installed even after all works are complete just before handover enabling reverse sequencing.

Whiteline is a very high light reflecting and sound absorbing ceiling tile suitable for meeting rooms.

Whiteline belongs to Anutone's Sconz family of foam-based ceiling solutions and is in association with Pinta USA.
