Skelet Screenline

CEILING SUSPENSION SOLUTIONS FOR CARNIVAL FLOATS

It works!

“Last holidays, Skelet Screenline Carnival Floats were mounted in our classroom. I immediately noticed there is less reverberation. For the children it's easier to concentrate now; and for me it means less stress.”

Silence

Flexibility

Did you know?

Ambient sound is a hidden annoyance responsible for:

- Fatigue
- Reduced concentration
- Reduced performance
- Stress

Standard dimensions –*

- 1200mm x 1800mm
- 1200mm x 2400mm
- 1800mm x 2400mm
- 1800mm x 3600mm
- 2400mm x 2400mm

*possible with the Skelet Screenline kits

Why?

“I think the Skelet Screenline Carnival Floats to be a simple and elegant solution for acoustical problems in buildings. This easy concept offers unlimited creative opportunities. What’s more, the Skelet Screenline Kits are friendly to my budget... and I easily and an installer to fix them.”

Creativity

Speed
